

BILL OF ASSURANCE

KNOW ALL MEN BY THESE PRESENTS:

That Woodland Hills Development Company, Incorporated holds the title to all the following described land situated in the Northern District of Sharp County, Arkansas, to-wit:

Being part of the SE $\frac{1}{4}$ Section 2, Part of the S $\frac{1}{2}$ Of the NE $\frac{1}{4}$ Section 2 and part being in the NW $\frac{1}{4}$ of the SW $\frac{1}{4}$ Section 1, Township 19 North, Range 5 West

The Grantor, Woodland Hills Development Company, Incorporated, has caused said lands be surveyed and subdivided to lots, blocks and streets. Said subdivision has been named and shall henceforth be known and designated as Woodland Hills, Locksley Addition.

Woodland Hills Locksley Addition contains Two Hundred Sixty-Four (264) lots, and the Grantor has executed a plat showing the locations of said lots and the number and dimension of the lots in said subdivision; also, the locations, widths and the names of the streets. All streets of said subdivision are hereby dedicated to the public for its use and benefits forever.

The plat of the Woodland Hills Locksley Addition is recorded in Plat Book 3 at page 128 in the office of the Circuit Court Clerk and Ex-Officio Recorder in and for the Northern District of Sharp County, Arkansas.

As a part of this Bill Of Assurance, certain safeguards and restrictions hereinafter referred to as "Subdivision Restrictions" are hereby placed on the lots of said plat.

The purpose of these restrictions is to provide uniform protection for all property owners in this subdivision by the establishment of minimum standards of land use, building sizes, setback requirements and the prohibition of certain undesirable uses and practices for the entire subdivision.

I. LAND USE

All lots shown on said plat are to be used for residential purposes only. No building shall be maintained or erected except that the owner shall install sewage disposal facilities which meet all the requirements of the State Health Department.

II. GENERAL PROVISIONS

(a) Nothing shall be allowable on premises in any zone established which would in any way be offensive or obnoxious by reason of control, design, or the emission of odors, liquids, gases, dust, smoke, vibration or noise. Nor shall anything be placed, constructed or maintained that would in any way constitute any eye sore or nuisance to adjacent property owners, residents, or to the community. No bee hives or breeding or raising of any insects, reptiles, or animals and fowls other than customary house pets are permitted.

(b) No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structures have been approved by the architectural control committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved.

The architectural control committee is composed of Ralph E. Johnson, Norman H. Taylor and Marshall A. Jackson. A Majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a Successor. Neither the members of the committee nor its designated representative shall be entitled to any compensation for services performed pursuant to covenant. At any time, the then record owners of majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties,

The committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee or its designated representative fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

(c) No building shall be erected or moved on to any lot of this subdivision which does not conform to the following restrictions of use, area, setbacks and other restrictions herein set forth.

III. SETBACK LIMITATIONS

Setback restrictions shall apply to all structures constructed and erected on said property as follows:

Front yard—25 feet from property line; rear yard—25 feet from property line or lake.

Side yard—10 feet from property line; corner lots—25 feet from front and 15 feet from side roof overhangs, strps, stoops, and architectural projections are accepted.

IV. HEIGHT LIMITATIONS

No building in this subdivision shall be greater than two stories in height nor higher from the average grade than 25 feet, to any portion of the building except chimneys and architectural projections.

V. AREA LIMITATIONS

No building shall be constructed unless it contains a minimum of 600 ~~sq~~ square feet, exclusive of porches and carports.

VI. UTILITY EASEMENTS

Each lot shall be subject to easements for the installation of utilities. Water mains and electrical facilities will be placed in the areas where they will be most practical and least detrimental to subject lot. Woodland Hills reserves the right to declare such easements and install utilities without notification to lot owners.

VII. GARBAGE AND REFUSE DISPOSAL

No lot shall be used or maintained as a dumpsite ground for rubbish, trash, garbage or other waste shall not be kept except in sanitary containers, incinerators or other equipment for the storage or disposal of such condition.

VIII. TERM

The covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of 25 years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

IX. ENFORCEMENT

Enforcement shall be by proceedings at law or in equity against any persons or person violating or attempting to violate any covenants, either to restrain violation or to recover damages, and failure to neglect to enforce and provision hereof shall not constitute a waiver or operate as an estoppel.

X. SEVERABILITY

Invalidation of any one of these covenants by judgment or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

IN WITNESS WHEREOF, The name of the grantor is hereunto affixed by its Vice President and its seal affixed by its Secretary this 25th day of July, 1961.

FINSBURY

BILL OF ASSURANCE

KNOW ALL MEN BY THESE PRESENTS:

That Woodland Hills Development Company, Incorporated holds the title to all the following described lands situated in the Northern District of Sharp County, Arkansas, to-wit:

19.10 Acres being in the NE $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Section 1 Township 19 - N - Range 5 - W

The Grantor, Woodland Hills Development Company, Incorporated, has caused said lands be surveyed and subdivided to lots, blocks and streets, Said subdivision has been named and shall henceforth be known and designated as Finsbury Addition to Woodland Hills.

Finsbury Addition to Woodland Hills contains Forty (40) lots, and the Grantor has executed a plat showing the locations of said lots and the number and dimension of the lots in said subdivision; also, the locations, widths and the names of the streets. All streets of said subdivision are hereby dedicated to the public for its use and benefits forever.

The plat of the Finsbury Addition to Woodland Hills is recorded in Plat Book 3 at Page 285 in the office of the Circuit Court Clerk and Ex-Officio Recorder in and for the Northern District of Sharp County, Arkansas.

As a part of this Bill of Assurance, certain safeguards and restrictions hereinafter referred to as "Subdivision Restrictions" are hereby placed on the lots of said plat.

SUBDIVISION RESTRICTIONS

The purpose of these restrictions is to provide uniform protection for all property owners in this subdivision by the establishment of minimum standards of land use, building sizes, setback requirements and prohibition of certain undesirable uses and practices for the entire subdivision.

I. LAND USE

All lots shown on said plat are to be used for residential purposes only. No building shall be maintained or erected except that the owner shall install sewage disposal facilities which meet all the requirements of the State Health Department.

II. GENERAL PROVISIONS

(a) Nothing shall be allowable on premises in any zone established which would in any way be offensive or obnoxious by reason of control, design, or the emission of odors, liquids, gases, dust, smoke, vibration or noise. Nor shall anything be placed, constructed or maintained that would in any way constitute any eyesore or nuisance to adjacent property owners, residents, or to the community. No bee hives or breeding or raising of any insects, reptiles or animals and fowls other than customary house-pets are permitted.

(b) No building shall be erected, placed or altered on any lot until the construction plans and specifications and a plan showing the location of the structures have been approved by the Architectural Control Committee as to quality of workmanship and materials, harmony of external design with existing structures, and as to location with respect to topography and finish grade elevation. No fence or wall shall be erected, placed or altered on any lot nearer to any street than the minimum building setback line unless similarly approved.

The Architectural Control Committee is composed of Ralph E. Johnson, H. A. Horn and Jim S. Ferguson. A majority of the committee may designate a representative to act for it. In the event of death or resignation of any member of the committee, the remaining members shall have full authority to designate a successor. Neither the members of the committee nor its designated representative shall be entitled to any compensation for services performed pursuant to covenant. At any time, the then record owners of majority of the lots shall have the power through a duly recorded written instrument to change the membership of the committee or to withdraw from the committee or restore to it any of its powers and duties.

The Committee's approval or disapproval as required in these covenants shall be in writing. In the event the committee or its designated representative fails to approve or disapprove within thirty (30) days after plans and specifications have been submitted to it, or in event, if no suit to enjoin the construction has been commenced prior to the completion thereof, approval will not be required and the related covenants shall be deemed to have been fully complied with.

(c) No building shall be erected or moved on to any lot of this subdivision which does not conform to the following restrictions of use, area, setbacks and other restrictions herein set forth.

III. SETBACK LIMITATIONS

Setback restrictions shall apply to all structures constructed and erected on said property as follows:

FRONT YARD-- 25 feet from property line; **REAR YARD--** 25 feet from property line or lake.

SIDE YARD-- 10 feet from property line; **CORNER LOTS--** 25 feet from front and 15 feet from side roof overhangs, steps, stoops and architectural projections are accepted.

IV. HEIGHT LIMITATIONS

No Building in this subdivision shall be greater than two stories in height nor higher from the average grade than 25 feet, to any portion of the building except chimneys and architectural projections.

V. AREA LIMITATIONS

No building shall be constructed unless it contains a minimum of the following:

BLOCK 1 ----- 1,000 Square Feet
BLOCK 2 ----- 300 Square Feet

EXCLUSIVE OF PORCHES AND CARPORTS

VI. UTILITY EASEMENTS

Each lot shall be subject to easements for the installation of utilities. Water mains and electrical facilities will be placed in the areas where they will be most practical and least detrimental to subject lot. Woodland Hills reserves the right to declare such easements and install utilities without notification to lot owners.

VII. GARBAGE AND REFUSE DISPOSAL

No lot shall be used or maintained as a dumping ground for rubbish. Trash, garbage or other waste shall not be kept except in sanitary containers, incinerators or other equipment for the storage or disposal of such condition.

VIII. TERM

The covenants are to run with the land and shall be binding on all parties and all persons claiming under them for a period of 25 years from the date these covenants are recorded, after which time said covenants shall be automatically extended for successive periods of 10 years unless an instrument signed by a majority of the then owners of the lots has been recorded, agreeing to change said covenants in whole or in part.

IX. ENFORCEMENT

Enforcement shall be by proceedings at law or in equity against any persons or person violating or attempting to violate any covenant either to restrain violation or to recover damages, and failure to neglect to enforce any provision hereof shall not constitute a waiver or operate as an estoppel.

X. SEVERABILITY

Invalidation of any one of these covenants by judgement or court order shall in no way affect any of the other provisions which shall remain in full force and effect.

IN TESTIMONY THEREOF, the name of the Grantor is herewith affixed by its President.
